The Cary Company requires the acknowledgement of our Steel IBC Order Cancellation Policy on all steel IBC orders. You must complete this form for your order to be processed. Please review and return immediately to avoid order delay.

Please read and sign below to acknowledge that you have read and fully understand The Cary Company's Steel IBC Order Cancellation Policy.

I understand that all sales of steel IBCs must be prepaid upfront at the time of order. I may cancel my order for any reason and receive a full refund prior to the order being processed. Any cancellation after the order has been processed will result in a \$350 cancellation fee. Cancelling an order after engineering and/or manufacturing has begun will result in additional charges to be determined by The Cary Company.
