Hand-Held Mixers

Air-driven mixers feature cast aluminum pistol grip to comfortably fit the hand.

Used to mix small batches of thin or heavy liquids. Air control valve allows easy speed adjustment. Low speed mixing and stalling in heavy liquids will not cause overheating as with an electric mixer.

Stainless steel multi-blade cage impeller will not damage container and is ideal for rapid, thorough mixing of paints, adhesives, dry wall compounds, etc. Two impeller sizes and three shaft lengths fit most open top containers from 1 to 55 gallons.

MODEL
HH10

Model Number	Recommended Container Size	Shaft Dia. and Length	Mixing Head Diameter
HH12	1 to 2 Gallon	¼" x 15"	2⅝"
HH10	5 to 10 Gallon	½" x 21"	5"
HH55	50/55 Gallon	½" x 40"	5"
