Product Features

Poly Drum Funnel fits both 30- and 55- gallon steel drums.

- Fits steel 30- and 55-gallon tight-head drums; fits 30-gallon open-head drums
- Covers entire drum top to minimize drips and spills
- 2 5/8" high sidewalls allow you to pour in up to 6 gallons at a time
- Level inside surface keeps containers from tipping over
- Zig-zag ridges-prevent splashes and catch parts or tools

Composition

- Low-Density Polyethylene w/ UV Inhibitors
