

# EverSoak® BRAND

made with Patent Pending  
**Q-CEL**  
technology

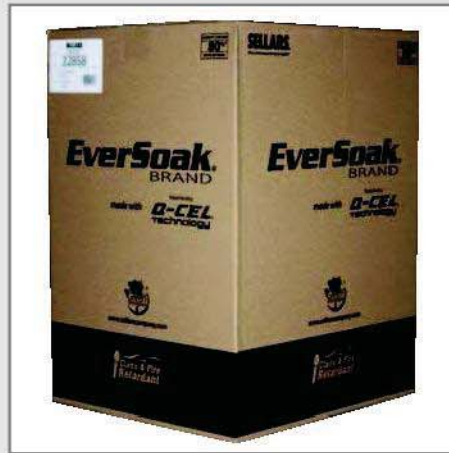

## EverSoak® Brand Standard Rolls

- Less bulk, more individual feet per roll for greater overall absorbency than our Preferred line.
- Greater overall absorbency than the leading competition on a per box basis (lab tested per EDANA 10.4-02).
- Utilizes recycled cellulose fibers to create superior absorbency, higher quality, and a more cost effective alternative than oil based polypropylene sorbents.
- Rolls perfed every 19”.
- Lab tested per National Fire Protection Association (NFPA) Class A fire retardant (ASTM 84).

EverSoak® Brand Standard Rolls
