Not Only the Best, But the Right SWEEPING COMPOUND for Any Type of Floor!

All our Sweeping Compounds are of the finest quality, providing excellent dust and dirt absorbency and smooth, easy sweeping. Just as important, each of our Sweeping Compounds are especially formulated to be **completely safe** on their designated flooring surfaces. Using the wrong compound could damage the floor's finish so each carton or drum is clearly labeled as to its correct usage.

Our Sweeping Compounds are brightly colored for high visibility and easy **miss-free sweeping**. They can actually protect your sweeper from breathing germ-filled dust by providing a virtually **dust-free** sweeping environment.

Now anywhere you sweep you can eliminate dusting, protect the sweeper and get cleaner, more attractive floors.
